🌐 BurakYldrm

Final-year university student specializing in web development, with 2 years of JavaScript experience and a 6-month role as a Full-Stack Developer. My time in the Erasmus+ program broadened my cultural understanding and communication skills. With a solid academic foundation and hands-on experience, I'm dedicated to delivering top-notch web solutions. I'm looking for a role where I can use my skills to benefit both myself and a forward-thinking company.

## Professional Experience

07/2023 – 08/2023  
Istanbul, Turkey

### Frontend Developer Intern

OBSS

- Gained insights into best practices for frontend development, ensuring maintainable and efficient code.
